

CCD LENTEN PROJECT

Ronald McDonald House Collection

Our Holy Apostles CCD program will be collecting for the Ronald McDonald House in Pittsburgh. This will be our Lenten outreach for 2018. After long days at hospitals, families welcome home cooked meals prepared in the House Kitchen. Keeping the House fully stocked depends on the help of the community and we want to be sure they have everything they need. These items are essential in providing families with the comforts of home so they can focus solely on the well being of their child.

Here is a list of items that the Ronald McDonald House can use
